HANGZHOU SWORD ELEVATOR CO.,LTD.

COMPANY INTRODUCTION

HANGZHOU SWORD ELEVATOR CO., LTD. was established in 2009 and is located at the National Economic and Technological Development Zone in Hangzhou, China. We are an international comprehensive manufacturer and service provider which integrate the R&D, design, production, sales, installation and after-sales maintenance of elevators and escalators. Our annual production capacity is up to 100,000 units, of which the comprehensive strength ranks top in the industry.

Our products cover small machine room passenger elevator, machine-room-less passenger elevator, high-speed elevator, hospital elevator, freight elevator, panoramic elevator, escalator moving walk and car elevator, totally nine series, among which our environment-friendly products with high precision and high standard have went through German TÜV certification, European Union CE, Russian CU-TR certification, JKKP Malaysian certification, Algerian ENACT certification and successfully joined in the North American CSA and ASME certification systems. We have provided service and solutions for more than 70 countries and regions worldwide by now. All these have contributed to the unceasing enhancement of our brand image and influence.

PROFESSIONAL AND COMPREHENSIVE QUALITY MANAGEMENT SYSTEM, GUARANTEE EXCELLENT QUALITY OF SWORD

We strictly implement the provisions of the relevant laws and regulations and the safety technical specification of elevator equipment;

In the process of operation, We are strictly implementation of ISO9001 quality management system ISO14001 environmental management system and OHSMS18001 occupation health and safety management system;

We set up emergency plans strengthen the on-site supervision and inspection, to ensure the safety operation of equipment installed in the elevator, often carry out investigation of hidden dangers in safety production, timely treating safety accident, do not leave future trouble.
